ITEM: 13 **MACQUARIE STREET, WINDSOR - CLEARWAY RESTRICTION****FILE NUMBER:** 1341/R PT03/ENG

REPORT:

At its meeting held on 5 September 1995, Council resolved to support investigation of the provision of a "P.M. Clearway" restriction on the western side of Macquarie Street, Windsor, between Richmond Road and Bridge Street.

The Roads and Traffic Authority have not supported the provision of a "Clearway", rather a "No Standing: 3.00pm-7.00pm" parking restriction. This suggestion was adopted by Council at its meeting held on 14 November 1995, following recommendation by the Local Traffic Committee.

Provision of such a restriction may have a deleterious impact on the small take-away shop situated south of Suffolk Street which has no off-street parking and for which Council and the Roads and Traffic Authority recently installed ½ hour restricted parking.

It is considered that the "No Standing" restriction on Macquarie Street, Windsor, should apply north of Suffolk Street to provide adequate lane capacity.

RECOMMENDATION:

That the Roads and Traffic Authority be requested to install "No Standing: 3.00pm-7.00pm" parking restriction north bound on Macquarie Street, Windsor, between Suffolk and Bridge Streets.
