ORDINARY

Meeting Date: 8 July, 1997

Item: **299**

ITEM: 299 **Mountain Rally - Windsor & District Chamber of Commerce**

FILE NUMBER: P2021/40 PT2/ENG/ORG08LBX.E35

REPORT:

Correspondence has been received from the Windsor and District Chamber of Commerce seeking permission to set up barricades in Thompson Square, Windsor, for approximately three to four hours between 11.00am and 3.00pm on Friday 25 July 1997, for the finish of a Mountain Rally.

It is expected that approximately twenty five cars and two hundred people will be in attendance and it is proposed to barricade the parking area in front of the timber decking and also close Thompson Square between George Street and The Terrace for the period.

RECOMMENDATION:

That the Windsor and District Chamber of Commerce be given approval to erect the barricades and close Thompson Square for the period requested.

REPORT:

The following correspondence has been received from the Richmond & District Chamber of Commerce Inc :-

“We have received a number of complaints from Richmond shopkeepers concerning the level of criminal activity in town between the hours of 2-6am on a Saturday and Sunday morning.

The activity includes the smashing of windows, graffiti, offensive behaviour and fights. To ensure that all incidents are accurately recorded, we have set up a Register of Criminal Activity. This register will be kept at the Colonial Motel, Richmond. All businesses and residents of Richmond have been notified of the register. When an incident occurs, a form will be completed detailing the event and what action was taken. Hopefully after 6-12 months we will have an accurate record of Richmond’s crime statistics.

We have also met with the licensees of the Royal Hotel, Jupiters Nightclub and Cougars Nightclub. From these discussions and from consultation with the community, we believe that all clubs/hotels should be closed by 3am at the latest. The different closing times that are currently in operation tend to move the patrons from one hotel to another and hence onto the streets.

If the area is heavily patrolled by security officers at closing time and a bus is available to transport them out of town, we believe, that we will see a decrease in criminal activity.

We would be happy to meet with yourselves or with the licensees of the clubs and hotels to discuss this matter further.”

RECOMMENDATION:

That the information be received.
