Ordinary Meeting - 10 July 2001

4. Traffic Lights at Intersection of Rifle Range Road and George Street, Windsor

Advice has been received from the Member for Londonderry, Mr Jim Anderson MP, that he has been able to obtain RTA funding of \$50,000 for the traffic lights at the Rifle Range Road/George Street intersection.

The cost of the intersection has been estimated to cost \$100,000 with part of the funding coming from the Bligh Park development costs.

Together with the roundabout at the Colonial Drive/George Street intersection, which was completed with Federal Government Black Spot funding, the Rifle Range Road lights will greatly improve access to Bligh Park.

It is recommended that \$50,000 of funds allocated to the Rifle Range Road/George Street traffic lights be re-allocated to provision of additional playground equipment in the Bligh Park/South Windsor area.
